West Palm Beach, FL – Lion Country Safari has donated \$9187 to the Busch Wildlife Sanctuary and \$9187 to Make-A-Wish Foundation of Southern Florida as a result of a joint promotion with Publix Super Markets, Inc.

“Lion Country Safari is pleased to make a significant contribution to Busch Wildlife Sanctuary to support the excellent work they do in protecting and conserving Florida’s wildlife and natural resources. We are also delighted to support the important work of Make-A-Wish Foundation through their efforts to enrich the lives of children with life-threatening medical conditions,” says Lion Country Safari’s Vice President, Marc Unterhalter.

For the promotion, Lion Country Safari placed discount admission coupons to the attraction in South Florida Publix Super Markets, Inc. from June 2005 through August 2005. A portion of the proceeds from each coupon redeemed at Lion Country Safari was donated to each charity.

As America’s first cageless drive-through zoo, Lion Country Safari helped revolutionize zoo and wildlife management philosophy. A leader in wildlife education and conservation since its 1967 opening, Lion Country Safari provides a natural environment for rare and endangered animals to live and reproduce, enjoying particular breeding success with the African elephant, white rhinoceros and giraffe.
