MAKE (A) WISH

Adopt-A-Wish Let the Magic Begin

There's an amazing way to help children with any life threatening medical condition, and that's to make their wishes come true. Literally. Through the Adopt-A-Wish® program, you, your corporation or your community group can become the sole Sponsor of a life-changing experience. Or if you prefer, you may contribute jointly with another donor as a Wish Partner to underwrite a child's special wish.

Kids Wish for the Darnedest Things

What do they wish for? Some wish to go places like Walt Disney World, some wish to have a puppy or a computer, some want to be an astronaut for a day and others want a chance to meet their heroes such as Michael Jordan. They all, every one of them, wish for that special someone like you to make their wish come true.

The Wish-Full State of Southern Florida

At the Make-A-Wish Foundation® of Southern Florida, we make the Adopt-A-Wish program a joy for our sponsors as well as our children. We'll keep you fully informed about the wish you are granting. Whenever possible, we'll share with you photos and correspondence from the child whose wish you've granted. And unless you choose to remain anonymous, we'll feature your generosity in both our Make-A-Wish publication and on our Web site. Because adopting a child's wish is something to shout about. And because we want to share the joy your generosity has nurtured.

Due to the of the generosity of our supporters, we've never turned away an eligible child.
